With a reverse, however, there is likely to develop a lively sense of the obligations of duty; the camp followers desert; the local bosses become less effective in rallying their support, and reliance for success upon the members of the organization who are attached to it from principle, becomes the essential of success, and as a result we witness precisely the activity now manifested in this State. There is every reason to anticipate a closer unity, more harmonious activity and more satisfactory results in the Republican party in 1888 than for years past. It is the duty of every citizen who adheres to the party to make his influence in it felt now, and there never was a time when each unit of the organism had greater influence than now.

LOCAL INTELLIGENCE

POLICE COURT.

"Tough" Anderson Examined and Held to Answer. The most important cases on the Police Court calendar on Saturday were those of Tom, alias "Tough" Anderson, and his half-brother, Charles Gannon, charged with the robbery of a negro named Harrison

Wilson on the night of March 23d, at the place kept by Mrs. Mary Anderson at M and Fourth streets. Wilson had lately come from Nebraska, and had considerable money in his possession. He went on a spree, and among other places he visited Mrs. Anderson's. He was robbed of \$80, a watch and pistol, the latter being returned to him the next day. He had \$200 in greenbacks concealed in his underclothing,

which the thieves did not find. When the case came on before Judge Buckley on Saturday, Gannon was dis-charged for want of sufficient evidence against him, and Anderson was held to answer to the charge of robbery, his bail being fixed at \$4,000.

Ah Foon had an examination on a charge of assault to murder, which resulted in his being held to answer before the Superior Court. Bail in his case was fixed at \$2,000. He is the Chinaman who nearly killed one of his countrymen in Chinatown last No-

Fred. Johnson, a drunk, was discharged and L. P. Fisher, another drunk, forfeited a deposit of \$5.

Billy Powers was arraigned on a charge of criminally assaulting Mrs. Annie Lowry, and his case was continued until April 3d.

Dan Daley was convicted of petit larceny, and sentenced to pay a fine of \$50 or go to jail for fifty days. He stole a pick and shovel belonging to the water works. Mary Yule was fined \$15 for being drunk

Our Protection from Fire.

The good work which was commenced some months since by J. T. Griffitts, to take the Fire Department of the city out of the position of being merely an operating sta. tion for carrying on low boss politics, and for the delivery of political offices, bought and sold in open market, has already ripened into potent results. That departpartment of the city's affairs had ceased to be conducted for the interests of property - owners and the people of the city. The matter of put-ting out fires had become an entirely secondary affair, and the sole qualification for positions upon the department force was services rendered in running the local political machine or those to be thereafter ndered. It is fortunate for the city that Mr. Griffitts had the courage to rise up against this condition of affairs and remain firm until the people had an opportunity to express themselves through the ballot, emphatically indorse, as they have, reform position taken. It now remains for the new Board to carry into effect the unmistakable wishes of the community, and render the department as effective for protecting the homes and property of the people as possible, and leaving the work of running elections and carrying out boss dictation to other sources. Let the new force be the best and its work of highest

Catherine Pearson's Suit.

Taylor & Holl, on behalf of Catherine White, have commenced an action in the Superior Court against Charles E. Pearson, Joseph S. Pearson, Martha Ellen Meigs, Penelope Porch, Mary A. Binkerhoff, Letitia Cooper and Hattie O. Huntington. Plaintiff avers that she is the widow of Charles Pearson, who died in September, 1884, and that the defendants are children of deceased. After her husband's death, she alleges, she entered into an agreement with the children by which she was to receive \$5,000 and relinquish all right and interest in her husband's estate, valued at \$100,000, and consisting of real estate in the Dixon Bank, etc. The money was to be paid in installments from the shares of the various heirs to the estate. She received \$3,000 of the money, she says, but, Miss Amelia Bohl, organist. before the other \$2,000 was paid, Charles E Pearson, who had been administrator, went efore the Court of Napa county and fraudulently had the estate settled up. The plaintiff now prays that the order of final account be set aside and that the heirs be required to pay into Court \$2,000.

Fraternal Visit.

The members of Elk Grove Parlor, No. 41, N. S. G. W., received a fraternal visit from Sacramento No. 3 and Sunset Parlors last Saturday night. Despite the bad weather there was a good representation from the two Parlors. The Grand Lecturer, W. H. McLaughlin, was also present.

The visitors were entertained at the Masonic Hall till after 10 o'clock, when

they were invited to participate in a ban-quet which had been prepared by D. J. Stevens at the Toronto Hotel.

After enjoying the bountiful supply of delicacies, J. F. Pitt called on W. H. Mc-Laughlin, of Mission Parlor, No. 38, to respond to the tost, "Our Order." R. J. Devlin, of Sacramento No. 3 was given the subject, "California." H. Greer, of Sunset No. 26 responded to the toast, "Sunset Parlor." W. M. Sims; of Elk Grove No. 41, responded to the toast, "Elk Grove Parlor." The friends parted after listening to remarks from J. Hartley, T. G. Eiler and

Clunie Opera House. Hoyt & Thomas' Company appears tonight, presenting Charles H. Hoyt's farcecomedy, "A Hole in the Ground." The play is an extravagant thing of the same order as "A Rag Baby," "A Tin Soldier," and "A Brass Monkey," by the same author. Its purpose is to hold up a "take-off" of some of the peculiarities of uncivil railroad em-ployes, and those of some of the traveling public that render the life of F. A. Jones...

The New York News speaks of the piece as no play, but a means to two and a half hours who had been arrested at the latter place of laughter of the heartiest kind. depot, foot of K street. No. 56, the freight train bound south, was pulling out, when he attempted to jump upon a brake-beam. Missing his hold, he fell beneath the cars and was literally all cut to pieces. Different members of his body, pieces of fiesh and hearing were traying along the track for and brains were strewn along the track for a hundred yards, presenting a sickening sight. Special officer Robert Dunlevy witnessed the horrible accident and at once reported it to the Coroner, who gathered up the human fragments and took them to the Morgue. The victim was a weak-minded tramp, with iong hair, who has been noticed for some time going about Front street picking up cigar stumps and other odds and ends.
